Curriculum Vitae

Salman Daneshi

Lecturer, Department of Public Health, School of Public Health, Jiroft University of Medical Sciences

Personal Information

Name: Salman Daneshi

Address: Jiroft

Tel: 03443310968

Office: School of Public Health

Mobile: 09137626693

Fax:-

Email: salmandaneshi008@gmail.com

Orcid ID: 0000-0002-9199-0382

Educational Degree

Msc in Epidemiology, School of Public Health, Kerman University of Medical Sciences, Kerman, Iran, (2011-2013).

Thesis title: Determination of the Burden of Spinal Cord Injury and Limb Amputation as a Result of the Bam Earthquake in 2004

Jiroft University of Medical Sciences

BSc in Public Health, School of Public Health, Yazd University of Medical Sciences.
Yazd, Iran. (2006-2008).

Teaching Experiences

1. Public Health and Epidemiology for B.S students in Public Health in Sirjan University of Medical Sciences
2. Principles of Epidemiology for B.S. students in Environmental Health in Sirjan University of Medical Sciences.
3. Principles of Epidemiology for B.S. students in Public Health in Sirjan University of Medical Sciences
4. Methods of research for B.S students in Public Health in Kerman University of Medical Sciences
5. Health indicators for B.S students in Health Informatics in Kerman University of Medical Sciences
6. Management in crisis for B.S student in Red Crescent university in Kerman.
7. Management of Disease control for B.S student in Red Crescent university in Kerman.
8. Epidemiology of common disease in Iran for B.S. students in Public Health in Sirjan University of Medical Sciences

Jiroft University of Medical Sciences

9. Epidemiology of non-communicable disease in Iran for B.S. students in Public Health in Sirjan University of Medical Sciences
10. Principles of Epidemiology for B.S. students in Midwifery Health in Sirjan University of Medical Sciences.
11. Principles of Epidemiology for B.S. students in Laboratory Science Health in Sirjan University of Medical Sciences.
11. Geographical pathology of Iran for B.S. students in Public Health in Jiroft University of Medical Sciences.
12. Principles of Health Planning for B.S. students in Public Health in Jiroft University of Medical Sciences.
13. Geographical pathology of Iran for B.S. students in Public Health in Sirjan University of Medical Sciences.

Research Interest Keywords

1. Research on Burden of disease
2. Research on Zoonosis disease.
3. Research on Surveillance system
4. Health system management

Publication

Full Paper Published in Peer-reviewed Journals

In English (from the most recent)

- 1- Review of school fires in Iran: the causes, consequences and lessons learned

Jiroft University of Medical Sciences

Authors: Rezabeigi Davarani E¹, nekoei-moghadam M², Daneshi S³, Khanjani N^{4*},
Miraki S¹, Kiarsi M¹, Ann Burns Fire Disasters. accepted, 2019

- 2- Determination of the burden of spinal cord injury and limb amputation as a result of the bam earthquake in 2004.

Authors: Salman Daneshi, Ali Akbar Haghdoost, Mohamadreza Baneshi, Farzaneh Zolala , Archives of trauma research, 2018

- 3- Temporal Trends of Incidence of Colorectal Cancer in Isfahan, Iran, 2000–2011. 2018

Authors: Mehri Rejali, Salman Daneshi¹, Maryam Hadipour², Hossein Tavazohi³, Hossein Molavi Vardanjani⁴, Int J Prev Med 2018;9:22.

- 4- An assessment of urinary Iodine in pregnant women: brief report

Authors: Manijeh Jamshidi, Ahmad Naghibzadeh-Tahami, Elham Maleki, Vahidreza Borhaninejad, Hosniyeh Alizadeh, Mehrdad Farokhnia, Salman Daneshi ,

In Persian (from the most recent)

- 1- The Estimated Frequency of Spinal Cord Injury, Amputation (Hands and Feet) and Death in the Bam Earthquake Using the Network Scale Up Method

Authors: Salman Daneshi, Ali Akbar Haghdoost, Mohamadreza Baneshi, Farzaneh Zolala , Iranian Journal of Epidemiology 2014; 10(3): 9-14.

- 2- The epidemiological analysis of scorpion stings in Kerman 2012-14.

Authors: Daneshi S, Rezabeigi S, Razzaghi A, Zeinali M, Arefi S.
Pejouhandeh 2016;21(1):35-39.

Jiroft University of Medical Sciences

3- Breast Self-examination and its Effective Factors Based on the Theory of Planned Behavior among Women in Kerman, Iran

Authors: Esmat Rezabeigi Davarani, Narges Khanjani, Mostafa Falahi, Salman Daneshi, Abedin Iranpour,* Journal of Education and Community Health, No 10, Volume 3, Issue 3

4- Contamination with Organophosphate Toxins in Humans in Iran: A Systematic Review

Authors: Salman Daneshi, Narges Khanjani , Alireza Razzaghi, Journal of Health & Development Review Article Vol. 5, No. 1, Spring 2016

5- Obstacles and Problems Related to Elderly Pedestrians: A Qualitative Study

Authors: Razzaghi A*, Pourrajabi A, Daneshi S, Journal of Safety Promotion and Injury Prevention, Vol.5, No.2, Summer 2017

Authors: Daneshi S, Molavi Vardanjani H, Jahangiri Mehr F, Rezabeigi Davarani E, Sci J Iran Blood Transfus Organ 2017; 14(2): 77-83

7- Epidemiologic Study of Tuberculosis in Kerman City during 2011 – 2015

Authors: Salman Daneshi, Ahmad Naghibzadeh-Tahami, Ali Reza Razaghi, Mahnaz Sheikhshoei, Esmat Rezabeigi Davarani, Journal of Health & Development, Vol. 7, No. 3, Autumn 2018

Papers Presented in the National & International Congresses (Oral/Poster)

Jiroft University of Medical Sciences

1- Factors affecting blood donation intervals and survival of blood donors based on a sample in southern Iran: A Prospective Study. (Poster)

Authors: Salman Daneshi, Esmat Rezabeigi Davarani, Fateme Jahangiri

Mehr the 11th university students conference on innovations in health sciences

2- temporal trend of incidence of colorectal cancer in central iran, 2000-2011. (Poster)

Authors: Rejali M, Daneshi S, Hadipour M, Tavazohi H, Vardanjani HM.
Gastrointestinal Conference

3- The relationship between depression and pain in cancer patients in Shahid Bahonar Hospital of Kerman. (Poster)

Authors: Salman Daneshi, Farhad Arefi, Forough Bakhtiari Esfandegh, Ahmad Ali Pour, Fatemeh Mohammadi

Congress of common cancers and a comprehensive approach to them

4- The incidence and outcome of tuberculosis treatment in Kerman city during the years of 2011 -2016. (Poster)

Authors: Salman Daneshi¹, Ahmad Naghibzadeh-Tahami² , Ali Reza Razaghi³ , Mahnaz Sheikhshoaei⁴ Esmat Rezabeigi Davarani⁵

the 11th university students conference on innovations in health sciences

5- The effect of genetic counselling and health care in reducing the incidence of major beta thalasemia in kerman counting in 2017

Jiroft University of Medical Sciences

Authors: Esmat Rezabeigi Davarani, Narges Khanjani, Maryam Rezabeigi Davarani, Salman Daneshi, the 12th university students conference on innovations in health sciences

- 6- Incidence of beta thalassemia major and its related factors in Kerman city during 2012-2012

Authors: Esmat Rezabeigi Davarani, Narges Khanjani, Maryam Rezabeigi Davarani, Salman Daneshi, the 12th university students conference on innovations in health sciences

- 7- Causes and Consequences of Fire Accidents in Iranian Schools During the Years 1997-2007

Authors: Esmat Rezabeigi Davarani, Maryam Kiasarei, Salman Daneshi, 9th International Congress on Disasters and Disasters, 2019

Workshop Participated

- 1- Workshop on "Educational Research" jiroft university of medical science,
- 2- Workshop on "Mopping Up Polio Program" Kerman university of medical science, 2018
- 3- Workshop on "Foreign Travel Security" Kerman university of medical science, 2018
- 4- Workshop on "Tuberculosis control" Kerman university of medical science, 2018
- 5- Workshop on "Osteoporosis Prevention and Control" Kerman university of medical science, 2018

Jiroft University of Medical Sciences

- 6- Workshop on "Acute respiratory infections - influenza and coronavirus" Kerman university of medical science, 2018
- 7- Workshop on " Hepatitis B Surveillance" Kerman university of medical science, 2018
- 8- Workshop on "Mothers' Guide to Breastfeeding" Kerman university of medical science, 2018
- 9- Workshop on "Ethics in Business and Organization" Kerman university of medical science, 2018
- 10- Workshop on "Thyroid Disease" Kerman university of medical science, 2018
- 11- Workshop on "Diabetes" Kerman university of medical science, 2018
- 12- Workshop on " Diabetes, Prevention, Therapeutic and Care Principles " Kerman university of medical science, 2017
- 13- Workshop on "Healthy lifestyle in old age" Kerman university of medical science, 2017
- 14- Workshop on "National Hypothyroidism Workshop Program" Kerman university of medical science, 2017
- 15- Workshop on "Vaccine Prevention Diseases" Kerman university of medical science, 2017
- 16- Workshop on "Provincial Workshop on Tuberculosis Control Program" Kerman university of medical science, 2017
- 17- Workshop on "Introduction to health development plan" Kerman university of medical science, 2017
- 18- Workshop on "Workshop on Avian Influenza" Kerman university of medical science, 2017

Jiroft University of Medical Sciences

- 19- Workshop on "Part of the Quranic miracles in the biological sciences" Kerman university of medical science, 2017
- 20- Workshop on "rabies and animal bites" Kerman university of medical science, 2017
- 21- Workshop on "Water and Foodborne Diseases" Kerman university of medical science, 2017
- 22- Workshop on "medical emergencies and poisonings" Kerman university of medical science, 2017
- 23- Workshop on "Vaccination Complications" Kerman university of medical science, 2017
- 24- Workshop on "Life Skills" Kerman university of medical science, 2017
- 25- Workshop on "Malaria Treatment and Rapid Diagnosis Strategies" Kerman university of medical science, 2017
- 26- Workshop on "Pattern of Consumption in Resistance Economics" Kerman university of medical science, 2017
- 27- Workshop on "brucellosis" Kerman university of medical science, 2017
- 28- Workshop on "rabies and animal bites" Kerman university of medical science, 2017
- 29- Workshop on "accidents and injuries in children" Kerman university of medical science, 2016
- 30- Workshop on "Food Safety" Kerman university of medical science, 2016
- 31- Workshop on "Advanced Crisis Management" Kerman university of medical science, 2016

Jiroft University of Medical Sciences

- 32- Workshop on "Complications of vaccination" Kerman university of medical science, 2016
- 33- Workshop on "Mopping up" Kerman university of medical science, 2016
- 34- Workshop on "Screening the evolution of children" Kerman university of medical science, 2016
- 35- Workshop on "Vaccine-preventable diseases" Kerman university of medical science, 2016
- 36- Workshop on "Information security" Kerman university of medical science, 2016
- 37- Workshop on "Zoonosis disease" Kerman university of medical science, 2016
- 38- Workshop on "Hypertension" Kerman university of medical science, 2016
- 39- Workshop on "National Beta Thalassemia Major Prevention Program" Kerman university of medical science, 2016
- 40- Workshop on "Mental and Media Health" Kerman university of medical science, 2016
- 41- Workshop on " Two day breastfeeding counseling seminar" Kerman university of medical science, 2016
- 42- Workshop on "Brucellosis" Kerman university of medical science, 2016
- 43- Workshop on "Screening the evolution of children" Kerman university of medical science, 2016
- 44- Workshop on "Vaccine-preventable diseases" Kerman university of medical science, 2016
- 45- Workshop on "Measles and rubella and polio and pertussis" Kerman university of medical science, 2016
- 46- Workshop on "Self-care" Kerman university of medical science, 2016

Jiroft University of Medical Sciences

- 47- Workshop on "Cancer" Kerman university of medical science, 2015
- 48- Workshop on "Community Health Needs Assessment" Kerman university of medical science, 2015
- 49- Workshop on " Drug resistance in patients with TB " Kerman university of medical science, 2015
- 50- Workshop on "Introduction to Social Networking Models in Epidemiology" Kerman university of medical science, 2015
- 51- Workshop on "Neonatal hypothyroidism" Kerman university of medical science, 2015
- 52- Workshop on "Mental health" Kerman university of medical science, 2015
- 53- Workshop on "Vaccine preventable diseases" Kerman university of medical science, 2015
- 54- Workshop on "Infectious diseases in schools" Kerman university of medical science, 2015
- 55- Workshop on "Mental Health" Kerman university of medical science, 2015
- 56- Workshop on "Water and food borne diseases" Kerman university of medical science, 2015
- 57- Workshop on "Questionnaire design" Kerman university of medical science, 2013
- 58- Workshop on "Stata Software" Kerman university of medical science, 2013
- 59- Workshop on "R Software" Kerman university of medical science, 2013
- 60- Workshop on "SPSS Software" Kerman university of medical science, 2013
- 61- Workshop on "methods of research" Kerman university of medical science, 2013
- 62- Workshop on "Sampling" Kerman university of medical science, 2013

Jiroft University of Medical Sciences

Research Projects Executive

- 1- Frequency of depression and its relation to pain in cancer patients: A cross-sectional study
- 2- The incidence of beta thalassemia major and its causes analysis in Kerman during 2012-2012
- 3- Investigation of factors affecting suicide attempt in Kerman city during 2012-2012
- 4- Evaluation of the relationship between opium consumption and its derivatives with esophageal cancer in Kerman during 1997-92
- 5- The relationship between the consumption of opium in Kerman with esophageal cancer between the years 2013- 2018
- 6- The incidence and outcome of tuberculosis treatment in Kerman city during the years of 2011 -2016
- 7- Effect of influenza vaccine on prevention of flu-like symptoms in Kerman health center staff in 2016
- 8- The relationship between opium consumption (opium) and its derivatives (syrup, burned opium) with the incidence of lower gastrointestinal cancers in Kerman in 2010-2011
- 9- The Relationship between Physical Activity and Self-efficacy in Type 2 Diabetic Patients Based on Change Stage Patterns

Jiroft University of Medical Sciences

- 10- The Study of Exercise and its Relationship to Self-efficacy Based on Change Stage Patterns in Kerman Public High School Girls
- 11- Evaluation of sport behavior of all students of Kerman based on stages change model and its comparison with self-efficacy
- 12- The Relationship between Physical Activity and Self-efficacy of Kerman Women Based on Change Stage Model
- 13- Modeling and Spatial Modeling of Blood Donation Using Geographic Information System in Kerman City in 2011
- 14- Determination of the burden of diseases resulting from spinal cord injury and amputation due to Bam earthquake and evaluation of their function during earthquake

Awards and Honors

- 1- Letter of Appreciation from the head of Sirjan University of Medical Sciences 2019
- 2- One rank in "MPH exam" in Iran university of medical science, 2017
- 3- Letter of appreciation from the Deputy of Health of Kerman University of Medical Sciences, 2016
- 4- Letter of Appreciation from the Head of Kerman Health Center, 2016
